

Rheumatism

A HOME CURE GIVEN BY ONE WHO HAD IT

In the spring of 1893 I was attacked by muscular and inflammatory rheumatism. I suffered as only those who have it know, for over three years. I tried every remedy, and doctor after doctor, but such relief as I received was only temporary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted, and even bedridden with rheumatism, and it effected a cure in every case. I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent! Simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be that long-looked-for means of curing your rheumatism, you may send the price of it, one dollar, but understand, I do not want your money unless you are perfectly satisfied. Why suffer any longer when positive relief is thus offered you free? Don't delay. Write today.

Enemies of the Olive Tree.

Besides the birds, there are numerous insects which attack the fruit, the wood and the leaves of the olive tree. The most dreaded of these is a small fly called Dacus oleae, which is about half the size of a common house fly. The female has a sting like a wasp, with which she punctures the fruit where she deposits her eggs. It is estimated that a single fly will thus destroy three hundred or four hundred olives.

CITY MISSION AFFAIRS

FOR NORWICH FAMILIES

Miss Selden of the committee writes The Bulletin:

A short time ago the City Mission branch of the United Workers asked through The Bulletin for a baby carriage, and almost immediately received a very nice one. It has already done a great deal of good.

This is the time of year when almost every good housekeeper is going over every good household, closets, trunks and boxes, examining all sorts of clothing with a careful eye. Now the City Mission ladies have a very much needed article. They are in need of children's clothing of all kinds, and for all ages, and for both girls and boys up to 18, particularly dresses for the girls. It is their aim to have a good stock of the babies. Then there is a little boy who could be his mother's right-hand man if only he had a small express wagon in which to deliver his goods.

Of course, there are very frequently rummage sales in these days—and they are good things, but we must not overlook those who are in need of help depending on the City Mission and their gifts.

COMMITTEE HEARING ON

ARMY APPROPRIATION BILL

Washington, May 13.—An army appropriation bill carrying nearly \$550,000,000 and providing for an army of not less than 175,000 men was advocated today by Secretary Weeks before the senate military affairs committee.

The committee had up for consideration the bill passed by the house, which provided appropriations totaling \$2,200,000,000 and an army of 150,000 enlisted men.

The provision of the house for an average army of 150,000 for the next fiscal year, Secretary Weeks asserted, would necessitate alterations in the military establishment as arranged under the army reorganization act, and "strong arm methods of discharge" to bring down the present enlisted strength. He added that if the house figure were allowed to stand it would "seriously cripple the army."

PULLER AND ROBINSON WIN REPUBLICAN CAUCUS CONTESTS

The other places on the ticket for the June election were filled without contest as follows:

On motion of Eben Learned, ex-congressman Edwin W. Higgins was chosen chairman of the caucus and he took the chair with the prediction that the republican party was to elect its full ticket in June, because the people of Norwich were a law-abiding, law-abiding, law-abiding people.

Mr. Higgins raised a laugh when he referred to the penalties of a fine or a jail sentence as a result of a law-abiding citizen.

The section of the general statutes dealing with the election of delegates to the caucus was read as follows: "Any person unlawfully voting or participating in any caucus or primary of a political party other than that of the political party to which he shall have been enrolled."
